Pacifico executes capital raising to fund Sorby Hills to Final Investment Decision

HIGHLIGHTS

- Binding commitments received for a \$10M share placement (Placement).
- Strongly supported by quality Institutional and Strategic Shareholders.
- Pacifico will also undertake a Share Purchase Plan (SPP) to raise up to \$2m.

Key development activities to be funded by the capital raising include:

- Completion of the Definitive Feasibility Study for the Sorby Hills Lead-Silver-Zinc Project;
- High-impact drilling program across multiple near-mine and quality exploration targets;
- Finalisation of permitting and approvals required to begin construction; and
- Finalisation of offtake and financing arrangements.

Pacifico Minerals Ltd (ASX:PMY) (“Pacifico” or “the Company”) is pleased to announce a capital raising to raise up to \$12m via the Placement and an SPP to fully fund a Definitive Feasibility Study (“DFS”) and reach a Final Investment Decision on its Sorby Hills Lead-Silver-Zinc Project, located in the Kimberley Region of Western Australia (“Sorby Hills” or “the Project”).

The Project is a Joint Venture between Pacifico (75%) and contributing partner Yuguang (Australia) Pty Limited (“Yuguang”) (25%), a wholly-owned subsidiary of China’s largest Lead smelting and Silver producer, Henan Yuguang Gold and Lead Co. Ltd.

The Company has recently:

- released a Pre-Feasibility Study (“PFS”) that confirmed Sorby Hills is a technically and economically robust project delivering a Pre-Tax NPV8 of A\$303M, Pre-Tax IRR 46%, and strong cash flows that can support debt for a significant portion of the upfront capital requirement; and
- received confirmation that the Project has progressed to the Due Diligence Stage of the Federal Government’s Northern Australia Infrastructure Facility (“NAIF”) funding assessment process.

Pacifico Managing Director Simon Noon stated:

“The capital raising, whereby the Company received bids in excess of what was being offered under the Placement, provides the Company with a significantly strengthened balance sheet that will see the Company fully funded until a Financial Investment Decision is made on the Project. With a buoyant Silver market, a recently released quality PFS on Sorby Hills, the commencement of a 5,200m DFS drill program, and substantial progress being made on our financing strategy in the form of confirmed support from NAIF, it is very exciting times for the Company.

Together with the funds raised from the capital raising and the quality of the investors that have participated in the Placement, the Company has a solid platform from which to launch into its DFS workstreams and fully focus on further de-risking and adding value to the Project ahead of a Final Investment Decision in 2021”

The Company is pleased to offer its existing shareholders with the same opportunity to participate in the capital raising (and at the same \$0.018 Placement price) via an SPP and look forward to providing further details in due course.”

Share Placement

The new shares to be issued under the Placement will rank equally with the existing ordinary shares on issue. The Placement will be undertaken within the Company’s existing placement capacities under ASX Listing Rules 7.1 and 7.1A with:

- 436,076,072 Shares being issued pursuant to ASX Listing Rule 7.1; and
- 119,479,848 Shares being issued pursuant to ASX Listing Rule 7.1A,

(together **Placement Shares**).

Accordingly, no shareholder approval will be required for the issue of Placement Shares. Allotment of the Placement Shares is expected to occur on or around 24 September 2020.

The Placement price of \$0.018 per share represents:

- A 12.3% discount to the volume weighted average price (VWAP) in respect of the last 5 trading days, which was \$0.0205; and
- An 18.2% discount to the closing price of the Company’s shares on 15 September 2020, which was \$0.0220.

The Company confirms that the issue price of \$0.018 satisfies the requirements of Listing Rule 7.1A

Shaw and Partners Limited and Euroz Securities Limited acted as Joint Lead Managers in respect of the Placement with BurnVoor Corporate Finance advising the Company.

Share Purchase Plan

In conjunction with the Placement, Pacifico will offer all existing eligible investors the opportunity to subscribe for new shares at A\$0.018 per Share (being the same price as the Placement Shares) up to a maximum of 1,666,667 shares (maximum of A\$30,000) per investor under a SPP. **The SPP will be capped at A\$2.0M.**

Further details for the SPP will be released in the coming days, an indicative timetable for the capital raisings is included in Annexure “A”.

The Board of Directors have authorised this announcement for release to the market.

ABOUT HENAN YUGUANG GOLD AND LEAD CO., LTD

Henan Yuguang Gold and Lead Co., Ltd (HYG) was established in 1957 by the government of Jiyuan City which is in the Henan Province in North China. In 2002, HYG was listed on the Shanghai Stock Exchange (exchange code: 600531). Current Jiyuan City ownership is approximately 29.61%. HYG is the largest lead smelting company and silver producer in China and has been among the Top 500 Chinese manufacturing enterprises for the last five consecutive years. HYG's signature are electrolytic lead, gold, silver, and copper which are registered at LME and LBMA, respectively. In 2017, HYG produced 415,100 tonnes of electrolytic lead, 110,000 tonnes of copper, 958 tonnes of silver, 7,383 kilograms of gold and achieved sales of about \$2,684 million USDs. HYG's plants are predominantly modern and HYG continue to develop industrial technology that is environmentally friendly. Its recently refurbished lead smelting plant has achieved full automation.
