CHAIRMAN'S LETTER

Dear fellow Shareholder,

Pacifico Minerals Limited Share Purchase Plan

On behalf of the Board of Pacifico Minerals Limited (ACN 107 159 713) (**Company** or **PMY**), I am pleased to offer you the opportunity to subscribe for fully paid ordinary shares in the Company (**Shares**) under a Share Purchase Plan (**Offer** or **SPP**). The SPP allows you to apply to purchase Shares on the same terms as the Company's recent share placement to institutional and sophisticated investors as announced on 18 September 2020 (**Placement**). The SPP is not underwritten.

PMY is offering eligible shareholders the opportunity under the SPP to acquire from A\$5,000 (minimum) up to A\$30,000 (maximum) worth of Shares at an issue price of A\$0.018 per Share (**Issue Price**). The Issue Price is equal to the price at which the Company undertook the Placement and represents a:

- 18.2% discount to the last traded price of A\$0.0220; and
- 12.3% discount to the volume weighted average market price of Shares over the last five days on which sales of Shares were recorded on the Australian Securities Exchange (**ASX**),

immediately prior to the announcement of the Offer.

Shareholders will be eligible to participate in the Offer if they have a registered address in Australia or New Zealand as at 5.00pm (AWST) on Thursday, 17 September 2020. Participation in the SPP is voluntary.

The Directors view the SPP as a means of allowing eligible retail shareholders in Australia and New Zealand to participate in the recently announced equity raising without incurring brokerage or transaction costs. **If demand exceeds A\$2 million, the Company may close the offer early and scale back applications under the SPP.** Any scale back decisions made by the Board are at their absolute discretion and the decision of the Board is final.

The proceeds from the Placement and SPP are being used by the Company to start the Definitive Feasibility Study, and progress development of its Sorby Hills Lead – Silver - Zinc Project in WA, as well as for general working capital requirements and offer costs. For further details of the proposed use of funds, please refer to the Company's ASX announcement dated 18 September 2020.

PMY is targeting to raise up to A\$2 million via the SPP.

How to apply for SPP Shares

The SPP opens on Friday 25 September 2020 and is expected to close at 5.00pm (AWST) on Tuesday 6 October 2020. New Shares are expected to be issued on Monday 12 October, 2020 and to commence trading on ASX on Wednesday 13 October, 2020.

Application for new Shares under the Offer must be made by **5.00pm (AWST) on Tuesday 6 October 2020** in accordance with the instructions in the enclosed Application Form. Application details are also available on the Automic Investor portal at <https://investor.automic.com.au/#/home> where eligible shareholders can review the terms of the SPP and retrieve their personalised details to make payment.

The offer of Shares under the SPP is made in accordance with Australian Securities and Investments Commission (ASIC) Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the Corporations Act.

The Offer is governed by the enclosed terms and conditions. The Board urges you to read these terms and conditions carefully and in their entirety before deciding whether to participate in the SPP.

If you are uncertain whether Shares are a suitable investment for you, you should consult your financial or other professional adviser. PACIFICO MINERALS LIMITED
(ACN 107 159 713)
SHARE PURCHASE PLAN TERMS
AND CONDITIONS

This is the terms and conditions of the Pacifico Minerals Limited (ACN 107 159 713) (**Company**) 2020 Share Purchase Plan (**Offer**) and are binding on any shareholder providing a completed Share Purchase Plan Application Form and/or application monies to the Company.

1. Offer

The Offer is an invitation to offer to apply for fully paid ordinary shares in the Company (**Shares**) up to a maximum subscription of A\$30,000 at an issue price of A\$0.018 per Share (**New Shares**), (**Offer**).

The Offer to each eligible shareholder is made on the same terms and conditions.

The Offer is non-renounceable.

2. Eligibility

You are eligible to apply for New Shares (**Eligible Shareholder**) if:

- (a) your registered address in the Company's register of members is in Australia or New Zealand;
- (b) you were registered as a holder of Shares as at 5.00pm (AWST) on Thursday, 17 September 2020; and
- (c) you are not in the United States and are not acting for the account or benefit of a person in the United States.

3. Issue Price

The issue price for each New Share under the Offer is A\$0.018 per Share (**Issue Price**).

In accordance with the requirements of Australian Securities and Investments Commission (ASIC) Corporations (Share and Interest Purchase Plans) Instrument 2019/547, the Company notes that:

- (a) On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on the Australian Securities Exchange (**ASX**) was \$0.0220 per Share. The Issue Price is a 18.2% discount to that closing price.
- (b) The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued under the Offer.
- (c) By making an application under this Offer, each Eligible Shareholder will be acknowledging that although the Issue Price is at a discount to the closing price

specified above, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make the Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Offer may rise or fall accordingly.

- (d) The Issue Price is less than the market price of Shares during a 'specified period' in the 30 days before the date of the Offer (such specified period being the 5 days in which trading in Shares occurred before the date of the announcement of the Offer).

In accordance with ASX Listing Rule 7.2 Exception 5, the Issue Price is equal to or greater than 80% of the volume weighted average price for the 5 days in which trading in the Shares occurred before the date of the announcement of the Offer.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an application under this Offer.

4. Number of New Shares

4.1 Application amount

If you are an Eligible Shareholder, you can apply for up to a maximum of A\$30,000 worth of New Shares. Eligible Shareholders can select one of the following alternatives:

Offer	Value	Number of Shares
A	A\$5,000	277,777
B	A\$10,000	555,555
C	A\$15,000	833,333
D	A\$20,000	1,111,111
E	A\$30,000	1,666,666

4.2 A\$30,000 maximum

The total costs of New Shares purchased by each Eligible Shareholder (including through joint holding/s, multiple share accounts or any holding in which they have a beneficial interest/s) must not exceed A\$30,000.

The Company reserves the right to issue to an Eligible Shareholder fewer New Shares than the number applied for, for whatever reason, including to avoid the possible subscription of over A\$30,000 worth of New Shares by a shareholder through multiple applications or joint holdings.

No fractions of New Shares will be issued.

4.3 Offer amount and Scale back policy

- (a) **Maximum amount:** The Company reserves the right to determine the amount it raises through the Offer. At this stage, the maximum amount raised under the Offer will be capped at a total of A\$2 million (before costs), being a maximum of 111,111,111 Shares, though the Company reserves the right to change this cap at its discretion by announcement to ASX (subject to the maximum permitted under the ASX Listing Rules). In accordance with ASX Listing Rule 7.2 Exception 5, the total number of New Shares under the Offer must not exceed 30% of the number of Shares currently on issue.
- (b) **Scale back:** The Board reserves the right to reject or scale back any applications in whole or in part at its absolute discretion (**Scale back**). If there is a Scale back, you may not receive all the New Shares for which you have applied for. In the event of a Scale back, the Company intends to prioritise allocations to retail Eligible Shareholders over institutional Eligible Shareholders (as determined by the Company). However, the Company may in its absolute discretion determine to apply the Scale back to the extent and in the manner it sees fit, which may include taking into account a number of factors such as the size of your shareholding at the Record Date, the extent to which you have sold or purchased Shares since the Record Date, whether you have multiple registered holdings, the date on which your application was made and the total applications received from other Eligible Shareholders.
- (c) **Return of excess application monies:** If there is a rejection or Scale back, your application monies may be greater than the value of New Shares issued to you under the Offer, in which case the excess application monies will be refunded to you, without interest, by direct credit deposit to your nominated bank account (where you have given your nomination to the Company's Share Registry) or by cheque paid in Australian dollars.
- (d) **Additional Issue:** In the event that the Offer under the SPP is not fully subscribed, the Board reserves the right to issue Shares in excess of the maximum A\$30,000 worth of Shares ('**Additional Issue**'), to any person (whether or not such a person is an Eligible Shareholder) so long as the Additional Issue;
- Satisfies section 708 of the Corporations Act; and
 - Any approval of Shareholders to the Additional Issue which is required under the Listing Rules or the Corporations Act is obtained.

5. Participation costs

You must pay the Issue Price per New Share and any fees or charges incurred by you in applying for New Shares, for example, bank fees or fees of professional advisors. No commission is payable to you by the Company or the Lead Manager on the issue of the New Shares and no brokerage applies.

6. Rights attaching

The rights and obligations of the New Shares are contained in the Constitution of the Company (which is available for inspection at the registered office of the Company during the period of the Offer). The New Shares will be issued on the same terms as all other ordinary shares in the Company.

7. Allotment of New Shares

Subject to these terms and conditions, the New Shares will be allotted as soon as possible after the Offer closing date. The Company will send or cause to be sent to you a holding statement in due course.

8. Payment for New Shares

All amounts in this Offer are expressed in Australian dollars. If you are:

- (a) an Australian shareholder, you must pay for the New Shares by BPay® following the instructions on the Application Form; or
- (b) a New Zealand shareholder that is unable to pay by BPay®, please contact the Share Registry on +61 2 9698 5414 at any time from 8.30am to 5.00pm (AWST time) Monday to Friday during the Offer period, for alternative electronic funds transfer payment arrangements for the number of New Shares you wish to apply for.

If you do not provide the exact amount, the Company reserves the right to issue you a lesser number of New Shares and (if necessary) return a portion of your funds. No interest will be paid on money returned.

9. Risks

New Shares are a speculative investment and the market price may change between the dates you apply for New Shares and the issue of New Shares to you. Accordingly, the value of New Shares applied for may rise or fall.

This Offer is not a prospectus and does not require the types of disclosures required under the Corporations Act for a disclosure document. You must rely on your own knowledge of the Company, previous disclosures made by the Company to ASX, and, if necessary, consult your professional advisor when deciding whether or not to participate in the Offer.

The terms and conditions of the Offer should be read in conjunction with the Company's continuous and periodic disclosures given to ASX, which are available on ASX's website at www.asx.com.au (under the Company's code "PMY") and the Company's website at www.pacificominerals.com.au.

The Company will use this information for the purposes of processing the application for New Shares and updating the records of the Company. Unless required by the law, the Company will not disclose the personal information for another purpose without the consent of the shareholder. Except as stated by the law, shareholders are able to access, upon request, their personal information held by the

Company. For further information about how we manage your personal information or if you wish to obtain a copy of the Company's Privacy policy, please contact us.

11. Use of funds

- (a) Completion of the Definitive Feasibility Study for the Sorby Hills Lead-Silver-Zinc Project;
- (b) High-impact drilling program across multiple near-mine and quality exploration targets;
- (c) finalisation of permitting and approvals required to begin construction;
- (d) finalisation of offtake and financing arrangements; and

As with any intended budget or use of funds, this is a statement of current intentions as at the date of this Offer. If you hold Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (see paragraph 4.2 above) apply.
