At-the-Market Subscription Agreement

Boab Metals Limited (ASX:BML) (Boab or the Company) is pleased to announce it has entered into an At-the-Market Subscription Agreement (**ATM**) with Acuity Capital. The ATM provides Boab with up to \$5,000,000 of standby equity capital over the coming 38 month period to 31 January 2027.

Boab has full discretion as to the maximum number of shares to be issued, the minimum issue price of shares, the timing of each subscription (if any).

There are no requirements on Boab to utilise the ATM and Boab may terminate the ATM at any time, without cost or penalty. Acuity Capital and the ATM do not place any restrictions at any time on Boab raising capital through other methods.

If Boab decides to utilise the ATM, Boab is able to set an issue price floor at its sole discretion, with the final issue price being calculated as the greater of the nominated floor price and up to a 10% discount to a Volume Weighted Average Price (VWAP) over a period of Boab's choosing (again at its sole discretion).

As security for the ATM, the Company has agreed to place 9,000,000 fully paid ordinary BML shares from its LR7.1 capacity at nil cash consideration to Acuity Capital. Upon early termination or maturity of the ATM, the Company may buy back (and cancel) the shares placed as security for no cash consideration (subject to shareholder approval).
